INTRODUCTION

The purpose of this circular is to give you information on the following resolutions to be proposed at the Annual General Meeting, so as to enable you to make an informed decision on the resolutions at the Annual General Meeting.

The resolutions include (i) the grant of the Repurchase Mandate; (ii) the grant of the General Mandate; (iii) the extension of the General Mandate; and (iv) the re-election of the retiring Directors.

LETTER FROM THE BOARD

REPURCHASE MANDATE

At the Annual General Meeting, an ordinary resolution will be proposed to grant to the Directors a general and unconditional mandate to exercise all powers of the Company to repurchase Shares subject to the criteria set forth in this circular. In particular, you should note that the maximum number of Shares that may be repurchased pursuant to the Repurchase Mandate will be such number which represents 10% of the total number of issued Shares of the Company as of the date of passing of the resolution (i.e. a total of 249,341,398 Shares on the basis that no further Shares are issued or repurchased before the Annual General Meeting), subject to the requirements of the Listing Rules. The Repurchase Mandate will be expired on the earliest of the conclusion of the next annual general meeting of the Company, the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable laws or the Articles and the date upon which such authority is revoked or varied by ordinary resolution of the Shareholders in general meeting.

The Directors wish to state that they have no immediate plan to repurchase any Shares pursuant to the Repurchase Mandate.

In accordance with the Listing Rules, the Company is required to send to the Shareholders an explanatory statement, which is set forth in Appendix I to this circular.

GENERAL MANDATE

At the Annual General Meeting, an ordinary resolution will be proposed to grant to the Directors a general and unconditional mandate to allot, issue and deal with further Shares or to grant any offers, agreements or options which would or might require Shares to be issued, allotted or disposed of, representing up to 20% of the total number of issued Shares of the Company as of the date of passing of the resolution. As of the Latest Practicable Date, the issued share capital of the Company comprised 2,493,413,985 fully paid up Shares. Assuming that there is no change in the total number of issued Shares of the Company between the period from the Latest Practicable Date to the date of passing the aforesaid resolution, the maximum number of Shares which may be issued pursuant to the aforesaid general and unconditional mandate on the date of passing the aforesaid resolution will be 498,682,797 Shares.

The Directors wish to state that they have no immediate plan to issue any Shares pursuant to the General Mandate.

Subject to the passing of the aforesaid ordinary resolutions of the Repurchase Mandate and the General Mandate, a separate ordinary resolution will also be proposed for the Shareholders to consider and, if thought fit, approve the extension of the General Mandate by adding to it the number of Shares repurchased under the Repurchase Mandate, if granted.

LETTER FROM THE BOARD

LETTER FROM THE BOARD

RECOMMENDATION

The Board considers that the grant of the Repurchase Mandate and the General Mandate, the extension of the General Mandate and the proposed re-election of retiring Directors are in the best interest of the Company and the Shareholders as a whole and accordingly recommend all the Shareholders to vote in favour of the relevant Ordinary Resolutions to be proposed at the Annual General Meeting.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
For and on behalf of the Board
XU Da
Chairman

This appendix contains particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed decision on whether to vote for or against the resolutions to be proposed at the Annual General Meeting in relation to the Repurchase Mandate.

PROPOSED SHARE REPURCHASE MANDATE

It is proposed that the Directors be granted the Repurchase Mandate such that they may exercise the powers of the Company to repurchase up to 10% of the Shares in issue as of the date of passing of the relevant resolution. As of the Latest Practicable Date, the number of Shares in issue was 2,493,413,985 Shares and they were all fully paid up. Accordingly, the exercise of the Repurchase Mandate in full (being the repurchase of 10% of the Shares in issue as of the date of the passing of the resolution to approve the Repurchase Mandate) would enable the Company to repurchase a maximum of 249,341,398 Shares (assuming no Share is issued or repurchased after the Latest Practicable Date and up to the passing of the relevant resolution).

REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, the Directors believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value for each Share and/or earnings for each Share. The Directors would only make such purchases in circumstances where they consider them to be in the best interests of the Company.

FUNDING OF REPURCHASES

In making repurchases, the Company proposes to apply funds legally available for such purpose in accordance with its memorandum of association, the Articles, the Listing Rules and the Companies Law. Under the Companies Law, Shares repurchased by the Company may only be paid out of profits or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by its memorandum of association, the Articles and subject to the Companies Law, out of capital. Any premium payable on share repurchases may only be paid out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the Companies Law, out of capital.

IMPACT OF REPURCHASE

On the basis of the consolidated financial position of the Company as of 31 December 2018 (being the date to which the latest published audited consolidated financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of Shares now in issue, the Directors consider that there might be a material adverse impact on the working capital position and the gearing position of the Company in the event that the Repurchase Mandate was to be exercised in full. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would in the circumstances that would have a material adverse impact on the working capital position or gearing position of the Company (as compared with the position disclosed in the latest published audited consolidated financial statements).

PRICE OF SHARES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months up to (and including) the Latest Practicable Date were as follows:

Month	Share price	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2018		
April	0.72	0.495
May	0.62	0.51
June	0.62	0.495
July	0.56	0.45
August	0.61	0.33
September	0.375	0.305
October	0.325	0.241
November	0.295	0.255
December	0.285	0.203
2019		
January	0.415	0.239
February	0.445	0.33
March	0.435	0.37
April (up to the Latest Practicable Date)	0.41	0.355

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association of the Company, the Articles and the Companies Law.

CONNECTED PERSON

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their Close Associates has any present intention to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

As of the Latest Practicable Date, none of the core connected persons (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell his/her/its Shares to the Company, nor has he/she/it undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of interests kept by the Company pursuant to section 336 of the SFO and so far as is known to or can be ascertained after reasonable enquiry by the Directors, Mr. Xu Jihua and his wholly-owned company, Fortune Pearl, both being the Controlling Shareholders, were interested in an aggregate of 1,050,229,610 Shares, representing approximately 42.12% of the issued share capital of the Company. On the basis that no further Shares will be issued or repurchased after the Latest Practicable Date, in the event that the Directors exercise the Repurchase Mandate in full, the interests of Mr. Xu Jihua and Fortune Pearl in the Company would be increased to approximately 46.80% of the issued share capital. Such increase will give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no intention to exercise the Repurchase Mandate to the extent that the repurchases would result in the amount of Shares being held by the public to fall below 25% of the total issued share capital of the Company nor to the extent that would result in an obligation to make a mandatory offer under Rule 26 of the Takeovers Code by any substantial shareholder (as defined in the Listing Rules). Save as the above, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

SHARE REPURCHASES MADE BY THE COMPANY

During the six months immediately preceding the Latest Practicable Date, there was no repurchase of its Shares made by the Company (whether on the Stock Exchange or otherwise).
